How to Choose the Cruise that's Right for You

New to cruise? There are so many options available, choosing the cruise that best suits your needs can be daunting. Our Cruising Specialists can work with your travel agent to narrow the choice and help you find a cruise that's right for you.

WHAT'S THE RIGHT CRUISE DURATION?

If you've never cruised before, there are numerous short duration cruises sailing from Australian capital cities that will give you a taste of cruising life! Choose from three, four or seven night cruises to Australian cities, New Zealand or the South Pacific. If you're planning your second or third cruise, you'll know that the onboard activity and entertainment choices on some cruise ships can keep you busy for days, so why not try a longer cruise further afield visiting more destinations.

WHERE TO CRUISE?

The choice of cruise destinations is endless. If you're seeking a sun-soaked holiday, consider a cruise to the South Pacific, Hawaii or The Mediterranean. For stunning scenery head to Alaska, New Zealand, the fjords of Norway or the beautiful waterways of Europe. If adventure is calling, Asia, Antarctica or South America will appeal. With many more ports of call on offer, your dream destination awaits.

WHAT'S THE BEST TIME TO CRUISE?

That will depend on your destination. Ocean cruises in the Northern Hemisphere operate between Spring and Autumn, whereas cruises to warmer climates are generally on offer year round. River cruises in Europe also operate between Spring and Autumn and many cruises depart during winter to take in the beautiful Christmas markets, an experience not to be missed. The season for cruises to Antarctica is quite short – generally December through to February.

WHAT SHIP SIZE IS BEST?

A ship's size is one of the most important factors when choosing a cruise. The larger the ship the more passengers it will accommodate, but will generally offer more facilities, a wider range of activities and more dining options. Small ships tend to offer a more intimate atmosphere, a higher degree of service and in some destinations, will be able to berth closer to main cities and towns, giving you more time to explore and discover.

WHAT DOES THE CRUISE PRICE INCLUDE?

The standard of ships and cruise inclusions can vary considerably, which means there's a cruise to suit every budget. Generally you can expect the price of your cruise to include accommodation, meals and onboard entertainment. However, some cruise lines will also include extras such as port charges, gratuities, alcoholic beverages and shore excursions. Check what's included before making your decision and remember to allow for extras, including duty free shopping.

WHAT CABIN TYPE IS BEST?

Whether you opt for a cabin, stateroom or suite largely depends on your budget and the level of comfort and amenities you prefer. Inside cabins offer value for money and are ideal if you prefer to be out and about exploring the ship and making use of all the facilities on offer. If you prefer an ocean view, then consider a cabin with a port hole or window or perhaps a balcony or verandah stateroom. If you really want to indulge, consider a full suite option which can include special touches such as turn down service, fresh flowers, evening canapés, fresh fruit or your own butler!

WHAT DINING OPTIONS ARE ON OFFER?

Dining options vary from ship to ship. Larger ships offer the choice of traditional dining, where you dine at the same time and table every night, giving you the chance to get to know your dining companions and wait staff. Alternatively, you can opt for anytime dining where you choose from a variety of restaurants, the time you'd like to dine and whether you want to dine with other guests or at a table for two. Some ships also feature specialty restaurants – although there is an extra charge, they are highly recommended experiences. For a more casual dining option, you can choose from buffets, pizzerias or ice creameries. The dining choices on smaller ships will not be as extensive but one thing is for sure, you won't go hungry.

Top Reasons to Cruise

A CRUISE FOR EVERYONE

Whether you want formal or casual, big or small, lively or quiet, these days there's a cruise to suit everyone. Some people like ultra-luxury ships with champagne on tap, while others like big resort style ships that are great for family holidays. Get off the beaten track cruising through icebergs in the Antarctic. There are even themed and special interest cruises. Learn to cook alongside a celebrity chef onboard a themed wine and dine cruise. Experience amazing scenery and wildlife on an adventure cruise, or take to the seas on a music themed cruise. All you have to do is find the one that's right for you.

CONVENIENCE

A cruise holiday is the best way to visit a variety of countries and ports in a short space of time. There's no need to worry about transfers to the airport, checking in hours before your flight or packing and unpacking. Plus you get to wake up in a new destination every day!

VALUE FOR MONEY

Accommodation, a variety of dining venues, live entertainment and shows, an endless array of onboard activities, and of course cruising from one destination to the next, are all included in your cruise fare. Some cruise lines also include drinks, gratuities, onboard credit and shore excursions. There really is a cruise for everyone!

CAPTIVATING CUISINE

Whether you feel like a three course meal in a formal dining room or pizza on the deck, you'll find a dining option to suit your mood with a variety of onboard restaurants and dining venues. Some ships offer themed speciality restaurants; indulge at a steakhouse, French bistro, Italian trattoria or Japanese sushi restaurant. For more casual dining you might find pizzerias, hot dog stands, ice creameries or bakeries. Room service is also available on most cruise ships and normally at no extra charge. Get ready for a culinary delight.

ENTERTAINMENT & NIGHTLIFE

Day or night, you'll find an endless array of entertainment options onboard with most cruise liners offering a multitude of entertainment venues. Catch the latest movies on the big screen, enjoy International music artists, dazzling full scale production shows, magicians and comedy acts – all included in your fare. Live each night to the fullest with live music at one of the bars, pubs or lounges, dance the night away in a nightclub or try your luck in the casino.

ACTIVITIES

There's an incredible range of activities onboard, from bingo and dance lessons to surfing and skydiving, to culinary demonstrations and wine tasting. Or simply laze by the pool or chill out at the bar. There are plenty of secluded areas to relax and read a book or pamper yourself with a revitalising spa treatment. Your cruise can be as action-packed or laid-back as you wish. For families most cruise lines have Kids Clubs loaded with activities. There's something to keep everyone entertained at sea.

EXPLORE NEW DESTINATIONS

The best part about a cruise holiday is you get to experience a new destination almost every day and there will be plenty of opportunity for sightseeing. You can choose from the multitude of excursions offered by the cruise line. Discover breathtaking natural environments and wildlife on a scenic tour. Experience indigenous customs, heritage and sample local cuisine on a cultural tour. See the iconic sites on a city tour or head off on your own adventure!

MEET NEW PEOPLE

A cruise holiday is the perfect way to meet new people, whether it's at your dining table or sitting by the pool enjoying a cocktail or two! It's easy to forge friendships that will last a lifetime.

SEEKING ADVENTURE

For those with a sense of adventure, an Expedition Cruise may be the cruise for you. Be guided to some of the world's greatest destinations by leading expedition experts. From the remote wilderness of the Kimberley Coast of Western Australia to the stunning landscapes of Antarctica, let your sense of adventure lead the way.

Queen Mary 2 – Remastered

Queen Mary 2, Cunard's flagship cruise liner, is ready to set sail after a multi-million dollar refit at the Blohm & Voss Shipyard in Hamburg, Germany. Some of the enhancements to the dining venues and accommodation onboard Queen Mary 2 include:

THE VERANDAH

Exactly 80 years after the first Cunard Verandah Grill went to sea on Queen Mary in 1936, the latest incarnation offers contemporary, premium French cuisine in a light and elegant space. An unforgettable dining experience awaits.

KINGS COURT

This dining area has been completely transformed with a more open, intuitive central buffet area and reconfigured seating arrangements to create a relaxed self-service experience with a refined yet informal ambiance. A great informal dining option with enticing hot and cold buffet, light snacks, afternoon treats and alternative evening dining cuisines.

CARINTHIA LOUNGE

The Winter Garden has been transformed into an elegant, airy and versatile new venue, named after Cunard's beloved Carinthia ships. Carinthia Lounge features a dedicated patisserie counter and a special champagne Afternoon Tea experience. An inviting evening venue where premium wines are paired with complimentary tasting plates and featuring relaxed entertainment.

THE QUEENS GRILL AND PRINCESS GRILL RESTAURANTS

The Grills dining experience has been redesigned to elevate what is already the utmost in sophisticated dining at sea. The restaurants each display a distinctive character through design, colour scheme and furnishings, and focus on intimate dining experiences with more tables for two and increased space for privacy. The redesign is complemented by new culinary options and anchored by Cunard's signature White Star Service.

STATEROOMS

Half of the Britannia Balcony Staterooms have been remastered during the refit revealing contemporary new designs inspired by Cunard's rich history, with the remaining staterooms to unfold during a carefully phased refurbishment plan into 2017.

Thirty additional Britannia Club staterooms were added to Deck 13, as well as a comprehensive refurbishing of all pre-existing Britannia Club cabins. Britannia Club guests now enjoy a pillow concierge menu and single-seating dining in the Britannia Club restaurant.

Single staterooms have been added during the refit, making this offering now available fleetwide.

You can be assured of a warm welcome on the new Queen Mary 2 Remastered.
